Compression Fitting Grab Kit to suit 6mm nylon tube

Part Number
GRAB3

Overview

Fat Adder Grab 3 kit is the ideal economical kit to repair or perform small remote grease line installations using 6mm nylon tube with the compression fittings.

Included is a variety of compression fittings straight, elbows, joiner with a mixed combination of threads, both metric and imperial. All compression fittings come with nuts. It also includes 10m of 6mm nylon tube with 1.5mm wall thickness.

This kit is suited for all earthmoving, trucking, agricultural and industrial workshops.
