Product Data Sheet

Multiclean

Description

Castrol Multiclean is a Premium Performance, high foaming, biodegradable degreaser detergent which effectively removes dirt, oil and grease from hard surfaces. It is a multifunctional product at various dilutions.

Application

Castrol Multiclean is suitable for maintenance cleaning in the workshop, marine industry, factory, mining maintenance, office, food preparation and processing areas. It can also be used for cleaning all On and Off Road vehicles and equipment.

Advantages

AS 4351 Biodegradability Approved - Passes the Standards Australia Test for Biodegradability.

A.Q.I.S. Approved - Suitable for use in food industry cleaning applications by the Australian Quarantine Inspection Service as a General Cleaner, Type A, IOA No. 4797.

Quick Break - Has Quick Break properties to assist in waste water disposal via separator equipment.

Hard & Salt Water Tolerant - Suitable for use in Hard, Soft & Salt Water environments.

Non-Flammable - Health & Safety Acceptable.

Low Odour - Can be used underground and in confined spaces, with suitable ventilation.

Effective for Multitask Cleaning - Reduces inventory of cleaning products on site.

User Advice

Applications and dilutions with water

Degreasing engines and machinery - 1:1 to 1:4 (50 – 20%)
Vehicle/equipment washing - 1:19 (5%)
Concrete floors and steel surfaces - 1:40 (2.4%)
Pressure cleaning - 1:30 to 1:80 (3.2%-1.23%)
Food industry - 1:40 (2.4%)

e.g. 1:4 = 1ltr Multiclean mixed with 4ltr water (potable water)

Remarks: Apply cleaning solution directly to surfaces. Allow time for detergent to penetrate(5-10 min). Rinse off with high pressure clean water.

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.
