Product Data Sheet

Multipurpose Degreaser

Description

Castrol Multi Purpose Degreaser is a multipurpose solvent based degreaser containing biodegradable emulsifiers. **Castrol Multi Purpose Degreaser** is suitable for a wide variety of applications and can be applied by brush, spray or in an immersion tank.

Application

Castrol Multi Purpose Degreaser gives excellent results by dissolving grease and oil deposits before being flushed away with water as a water-oil emulsion.

Castrol Multi Purpose Degreaser is applicable for the degreasing of ferrous and non-ferrous metals, glass, wood, ceramics and concrete.

Castrol Multi Purpose Degreaser is ideal for cleaning engines, machines, workshop floors, and automotive components.

Advantages

Features:

Formulated with biodegradable emulsifiers.

Ease of use. No special equipment needed.

Emulsion separates on standing allowing the easy recovery of excess oil and dirt from suitable grease traps.

Benefits:

No oily residue remaining after use.

One product for most degreasing applications.

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.
