Perma Fittings Case FCBSP240

Contains primarily brass BSP fittings plus stainless reducers to M6 x 1.0 and 1/4" UNF M

Various fittings cases are available to provide a convenient and economical option for on-site spares. The themed cases include carefully selected reducing adaptors, extensions and elbows. The cases have a heavy duty plastic construction with an integrated water seal, removable compartments, impact resistant lid and heavy duty latches. These tables list the parts included in each fittings case option. If different combinations are required, please contact your supply of perma products to investigate the supply of a customised option.
