Lube Control Pty Ltd

Perma 2 Point Standard Duty Cage Hanger Installation Kit

Standard duty installation kits are highly versatile and can be adapted for attachment to beam sections or square mesh safety cages. The brackets included in standard duty kits are fabricated in Australia from stainless steel.

Standard duty kits include lubricator covers and manual purge kits for each lubrication point along with a range of commonly required fittings, push-lock swivel hose ends and high quality Duffield brand hose with 3/8" internal diameter.
