

Perma 4 Point Standard Duty Beam Clamp Installation Kit

Standard duty installation kits are highly versatile and can be adapted for attachment to beam sections or square mesh safety cages. The brackets included in standard duty kits are fabricated in Australia from stainless steel.

Standard duty kits include lubricator covers and manual purge kits for each lubrication point along with a range of commonly required fittings, push-lock swivel hose ends and high quality Duffield brand hose with 3/8" internal diameter.

The range of standard duty kits with beam clamps includes options for 1, 2, 3 or 4 points. Beam clamp options include 30mm and 65mm sizes.

Product

SKU	K430
